Able Insurance Brokers Canada is at your service

INDUSTRYEDGE® FOR HOTELS

Hotels offer so much more than just a place for a good night's sleep. From spas and golf courses to gyms, pools and restaurants, the hotel industry is full of assorted properties. It's also full of diverse risks and exposures.

Fortunately, Able Insurance Brokers Canada offers customizable solutions to hotels dealing with real-world risks.

Some coverages are listed below.

- Includes contents, stock, tenant improvements and betterments, as well as electronic data processing equipment in the definition of business personal property
- Interruption of utility services
- Electronic vandalism
- Loss of master key, including key cards
- Outside signs
- Walkways, sidewalks, driveways and parking areas
- Ordinance or law, including increased cost of construction and demolition costs
- Emergency evacuation expense – boarding students or hotel guests endorsement
- Restaurant wine stock endorsement
- Food contamination – direct damage endorsement
- Equipment breakdown coverage
- Hospitality errors and omissions liability endorsement
- Personal grooming services endorsement

- IndustryEdge® for Hotels is custom-designed to address the many risks and exposures faced by the hotel industry
- Industry-specific insurance protection, such as personal grooming liability as well as hospitality errors and omission liability
- Consultative, practical and cost-effective solutions to address the unique risk management needs of hotels, such as swimming pool and spa exposures
- Able Insurance Brokers Canada customers benefit from specialized, industry-specific underwriting, risk control analysis and claims services tailored to the nuances of today's hotel business
